CS-303T

TOP HANDLE CHAIN SAW

ECHO
GET SERIOUS.

The Design Choice of Professional Arborists

Chain brake windows allow for better visibility while cutting. While the handle grip provides an opening large enough for gloves.

Purge Pump for easier starting.

Automatic/Adjustable Oiler allows user to match oil levels to cutting conditions.

Model	Engine Size (cc)	Power (hp)	Dry Weight (lbs.)	Fuel Capacity (fl. oz.)	Oil Capacity (fl. oz.)	Adjustable Bar & Chain Oiler	Anti-Vibration System	Bar Nuts	Available Bar Lengths (in.)	Emmissions Compliant	Warranty (Consumer/ Commercial)	MSRP (12”/14”)
