

**shindaiwa®**

# M254

## Multi-Purpose Tool

### Product Features

24.5cc displacement

Patented H4® Engine Technology  
high-torque hybrid engine

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability

Better fuel economy versus  
comparable 2-stroke

Eight tools available! Changing is  
fast and easy with coupler

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty for  
drive shaft and major ignition  
components

# 359<sup>99</sup>

## Brushcutter

### Product Features

24.5 cc displacement  
Patented H4® Engine Technology  
high-torque hybrid engine

Features ergonomic handle  
bar and throttle control, safety  
harness with hip pad

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability

Better fuel economy versus  
comparable 2-stroke

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
solid steel drive shaft and major  
ignition components

## Brushcutter

## Product Features

34.0 cc displacement

Patented H4<sup>®</sup> Engine Technology  
high-torque hybrid engine

Features ergonomic handle  
bar and throttle control, safety  
harness with hip pad

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability.

Better fuel economy versus  
comparable 2-stroke

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
solid steel drive shaft and major  
ignition components

Trimmer

## Product Features

24.5cc displacement

Patented H4® Engine Technology  
high-torque hybrid engine

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability

All position barrel valve  
carburetor with primer

Anti-vibration system reduces  
operator fatigue

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty for solid  
drive shaft and major ignition  
components

# EB254

**Pro Hand Held Blower**

**Product Features**

22.5cc displacement

**Patented H4® Engine Technology**  
high-torque hybrid engine

Features convenient rapid fire,  
pistol grip with throttle cruise  
control function for sustained  
“hands-off” operation, and a  
special “hush” mode switch

Output is an incredible 191 MPH,  
331 CFM with all tubes (420 CFM  
w/o tubes)

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
major ignition components

## Back Pack Blower

### Product Features

79.7cc displacement

Patented H4<sup>®</sup> Engine Technology  
high-torque hybrid engine

Output is an incredible 224 MPH,  
762 CFM with all tubes (1349 CFM  
w/o tubes)

Easy access 2-stage air filter with  
extra large surface area, and  
2-screw filter cover for better  
sealing

Comfortable, quick-adjust double  
padded harness and ergonomic  
backpack frame

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
major ignition components

## Hedge Trimmer

### Product Features

24.5 cc displacement

Patented H4<sup>®</sup> Engine Technology  
high-torque hybrid engine

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability

24" StaySharp™ chrome plated,  
self-adjusting blades

Low noise, quiet operation

Optimum balance for reduced  
operator fatigue

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
major ignition components

# 469<sup>99</sup>

shindaiwa<sup>®</sup>

# DH254-30

Hedge Trimmer

## Product Features

24.5 cc displacement

Patented H4<sup>®</sup> Engine Technology  
high-torque-hybrid engine

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability

30" StaySharp<sup>™</sup> chrome plated,  
self-adjusting blades

Low noise, quiet operation

Optimum balance for reduced  
operator fatigue

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
major ignition components

# LE254

Lawn Edger

## Product Features

24.5cc displacement

Patented H4<sup>®</sup> Engine Technology  
high-torque hybrid engine

Quality two-ring piston and  
chrome plated cylinder for  
maximum durability

Electronic ignition for fast, easy  
starts

Light, well-balanced edger makes  
clean edges a snap

Two-year commercial warranty,  
Two-year consumer warranty

Limited lifetime warranty on  
drive shaft and major ignition  
components

# GP344

Water Pump

## Product Features

Patented H4<sup>®</sup> Engine Technology  
high-torque hybrid engine

Discharge capacity 34.3 gpm  
(1.30 liters/min)

Total head lift 164 ft. (50 m)

Suction head lift 26.25 ft. (8 m)

Maximum pressure 72 psi  
(5.1 kg/cm)

Two-year consumer warranty,  
90 day commercial warranty

Limited lifetime warranty on  
major ignition components
