

M231

Multi-Purpose Tool

Product Features

22.5cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

Eight tools available! Changing is fast and easy with coupler

All position barrel valve carburetor with primer

Throttle control with safety interlock mechanism

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty for drive shaft and major ignition components

shindaiwa[®]

M242

Multi-Purpose Tool

Product Features

23.9cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

Eight tools available! Changing is fast and easy with coupler

All position barrel valve carburetor with primer

Throttle control with safety interlock mechanism

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty for drive shaft and major ignition components

shindaiwa[®]

65001

Multi-Purpose Tool Trimmer Attachment

Product Features

Converts a multi-tool power source into a trimmer

Heavy-duty four-bearing gear case design

High-visibility debris shield with line limiter

Two-line bump-feed trimmer head included

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft

shindaiwa[®]

www.shindaiwa.com

shindaiwa[®]

65002

Multi-Purpose Tool Pole Pruner Attachment

Product Features

Converts a multi-tool power source into a nine-foot long pole pruner

Standard bar length is 10". Also available with a 12" bar

Commercial-grade auto oil pump for saw chain lubrication

Throttle control features safety interlock mechanism

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft

shindaiwa[®]

65003

Multi-Purpose Tool Hedge Trimmer Attachment

Product Features

Converts a multi-tool power source into an articulated hedge trimmer

22" StaySharp™ chrome plated blades adjust to 10 cutting positions through 150° range

Blades fold back for safe transport and storage

Throttle control with safety interlock mechanism

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft

shindaiwa[®]

65010

Multi-Purpose Tool Lawn Edger Attachment

Product Features

Converts a multi-tool power source into a handheld lawn edger

Heavy-duty die cast debris shield with wear guard

Durable gear case assembly
Includes 7-3/4" blade

Makes clean edges a snap

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft

shindaiwa[®]

shindaiwa[®]

80264

Multi-Purpose Tool Power Broom Attachment

Product Features

Converts a multi-tool power source into a versatile PowerBroom™

Heavy-duty gear case with quality bearings

Large 22" sweeping swath

Tremendous labor-saver sweeping bark, dust, small rocks, sand, and much more

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft

shindaiwa®

www.shindaiwa.com

shindaiwa®

80265

Multi-Purpose Tool Cultivator Attachment

Product Features

Converts a multi-purpose power source into a cultivator

Easily turns soil for gardens and planting beds

Heavy-duty gear case with quality ball bearings

Easily removable tines

Standard with debris shield

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft

shindaiwa[®]

C230

Brushcutter

Product Features

22.5cc displacement, 1.1 hp

Premium 2-Cycle engine

Quality two-ring piston and chrome plated cylinder for maximum durability

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty for solid drive shaft and major ignition components

C242SF

Brushcutter

Product Features

23.9cc displacement, 1.1 hp

Quality two-ring piston and 4-bolt, chrome plated cylinder for maximum durability

All-position barrel-valve carburetor with primer

Electronic ignition for fast, easy starts

Solid steel drive shaft system

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

C3410SF

Brushcutter

Product Features

34.0 cc displacement, 1.4 hp

Patented C4 Technology® high torque 4-stroke engine features all position operation. No dip stick!

Features ergonomic handle bar and throttle control, safety harness with hip pad

Quality two-ring piston and chrome plated cylinder for maximum durability

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on solid steel drive shaft and major ignition components

C350

Brushcutter

Product Features

33.6cc displacement, 1.8 hp

Premium 2-Cycle engine

Quality two-ring piston and chrome plated cylinder for maximum durability

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty for solid drive shaft and major ignition components

C282SF

Brushcutter

Product Features

28.9cc displacement, 1.4 hp

Quality two-ring piston and 4-bolt chrome plated cylinder for maximum durability

Compact engine design with new 4-shoe metal clutch for more contact area and optimum power transfer

High-torque gearcase for increased torque at cutting attachment

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

F222SF

Trimmer

Product Features

23.9cc displacement, 1.1 hp

Single-ring piston design

21.0 ounce (620ml) fuel capacity

All-position barrel-valve carburetor with primer

Features Easy-to-Start recoil starting system

High-performance engine with long-reach curved-shaft convenience

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

T242SF

Trimmer

Product Features

23.9cc displacement, 1.1 hp

Quality two-ring piston and

4-bolt, chrome plated cylinder for maximum durability

All-position barrel-valve carburetor with primer

Electronic ignition for fast, easy starts

Solid steel drive shaft system

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

T242X

Trimmer

Product Features

23.9cc displacement, 1.1 hp

Quality two-ring piston and 4-bolt, chrome plated cylinder for maximum durability

All-position barrel-valve carburetor with primer

Electronic ignition for fast, easy starts

Includes harness, blade holders and barrier bar front handle

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

T2510SF

Trimmer

Product Features

24.5cc displacement, 1.1 hp

Patented C4 Technology® high-torque 4-cycle engine features all position operation. No dip stick!

Quality two-ring piston and chrome plated cylinder for maximum durability

All position barrel valve carburetor with primer

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty for solid drive shaft and major ignition components

shindaiwa[®]

SV212

Shredder Vac

Product Features

21.2cc displacement

Aggressive 4-blade shredder
reduces yard debris volume 12:1

Features large 2.0 bushel
shredder bag

Easy and quickly converts to
handheld blower (tubes included)

Output is 305 CFM (518 m³/hr),
145 MPH (65.0m/s)

All-position barrel-valve
carburetor with primer

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major
ignition components

shindaiwa[®]

EB2510

Pro Hand Held Blower

Product Features

24.5cc displacement, 1.1 hp

Patented C4 Technology® high-torque 4-stroke engine features all position operation. No dip stick!

Features convenient rapid fire, pistol grip with throttle cruise control function for sustained "hands-off" operation, and a special "hush" mode switch

Output is an incredible 191 MPH, 331 CFM with all tubes (420 CFM w/o tubes)

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

EB501

Back Pack Blower

Product Features

43.6cc displacement, 2.3 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

Output 187 MPH, 703 CFM*

Comfortable, easy-to-adjust double padded harness

Blower tube swivels up for easy transport and storage

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

EB633RT

Back Pack Blower

Product Features

63.3cc displacement

Output is 205 MPH, 625 CFM

Adjustable pistol grip throttle with cruise control

Commercial, heavy-duty automotive style air filter

Comfortable backpad and easy-to-adjust straps for reduced operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited Lifetime warranty on major ignition components

DH212

Hedge Trimmer

Product Features

21.2cc engine displacement

Quality two-ring piston and chrome plated cylinder for maximum durability

All position barrel-valve carburetor with primer

20" laser cut and precision ground blades stay sharp longer

Throttle lock-out prevents accidental throttle engagement

Two-year commercial warranty,
Two-year consumer warranty

Limited Lifetime warranty on major ignition components

shindaiwa[®]

DH230-24

Hedge Trimmer

Product Features

22.5cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

All position barrel-valve carburetor with primer

24" StaySharp™ chrome plated blades

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

DH2510-24

Hedge Trimmer

Product Features

24.5 cc displacement, 1.1 hp

Patented C4 Technology® high-torque 4-cycle engine features all position operation. No dip stick!

Quality two-ring piston and chrome plated cylinder for maximum durability

24" StaySharp™ chrome plated, self-adjusting blades

Low noise, quiet operation

Optimum balance for reduced operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

DH2510-30

Hedge Trimmer

Product Features

24.5 cc displacement, 1.1 hp

Patented C4 Technology® high-torque 4-cycle engine features all position operation. No dip stick!

Quality two-ring piston and chrome plated cylinder for maximum durability

30" StaySharp™ chrome plated, self-adjusting blades

Low noise, quiet operation

Optimum balance for reduced operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

DH231-24

Hedge Trimmer

Product Features

22.5cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

All position barrel-valve carburetor with primer

24" StaySharp™ chrome plated blades

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

DH231-30

Hedge Trimmer

Product Features

22.5cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

All position barrel-valve carburetor with primer

30" StaySharp™ chrome plated blades

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

HT230-30

Hedge Trimmer

Product Features

22.5cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

All position barrel-valve carburetor with primer

30" StaySharp™ chrome plated single edged blade

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

HT2510-30

Hedge Trimmer

Product Features

24.5 cc displacement, 1.1 hp

Patented C4 Technology® high-torque 4-cycle engine features all position operation. No dip stick!

Quality two-ring piston and chrome plated cylinder for maximum durability

30" StaySharp™ chrome plated, self-adjusting blades

Low noise, quiet operation

Better fuel economy versus comparable 2-stroke

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

40" StaySharp™ chrome plated blades

Anti-vibration system reduces operator fatigue

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on major ignition components

shindaiwa[®]

AHS231

Hedge Trimmer

Product Features

22.5 cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

22" StaySharp™ chrome plated blades adjust to 10 cutting positions through 150 degree range

Blades fold back for safe transport and storage

Short shaft version of the AH231

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa®

AHS242

Hedge Trimmer

Product Features

23.9 cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

22" StaySharp™ chrome plated blades

Special gear case design allows blade to articulate 135 degrees

Mid-reach version of the AH242

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa®

AH242

Hedge Trimmer

Product Features

23.9cc displacement, 1.1 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

22" StaySharp™ chrome plated blades adjust to 10 cutting positions through 150 degree range

Blades fold back for safe transport and storage

Throttle control with safety interlock mechanism

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa®

LE242

Lawn Edger

Product Features

23.9cc displacement, 1.1 hp

Quality two-ring piston and 4-bolt, chrome plated cylinder for maximum durability

Electronic ignition for fast, easy starts

Light, well-balanced edger makes clean edges a snap

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

LE261

Lawn Edger

Product Features

24.1cc displacement, 1.2 hp

Quality two-ring piston and chrome plated cylinder for maximum durability

Anti-vibration system reduces operator fatigue

Electronic ignition for fast, easy starts

Light, well-balanced edger makes clean edges a snap

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa[®]

P231-12

Pole Pruner

Product Features

22.5cc displacement, 1.1 hp

12" bar and chain size

Commercial-grade auto oil pump
for saw chain lubrication

Split boom design for easy
transport and storage

Throttle control features safety
interlock mechanism

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on
drive shaft and major ignition
components

shindaiwa[®]

SP150

Sprayer

Product Features

1 gallon (3.8 liter) capacity

Ideal for home, garden, and many professional applications

Large, independent filler opening

Pump handle doubles as carrying handle

Easy-to-adjust padded shoulder strap

Ergonomic tank design contours to hip

One-year consumer warranty,
One-year commercial warranty

shindaiwa[®]

SP210

Sprayer

Product Features

2 gallon (7.6 liter) tank, handy size for weed control, applying fertilizers, and insecticides

45 psi maximum pressure

Pump handle doubles as carrying handle

Quick-fill lid with relief valve for safe lid removal and easy filling

Lid is tethered to avoid tank contamination

One-year consumer warranty,
One-year commercial warranty

shindaiwa[®]

SP415

Sprayer

Product Features

4 gallon (15 liter) tank, perfect size for the landscape professional

Comfortable, padded adjustable shoulder straps

Large filler opening

UV-resistant polyethylene tank with easy-to-read fill scale on side

90 psi operating pressure for long spray time without constant pumping

Piston pump has built-in agitator

One-year consumer warranty,
One-year commercial warranty

shindaiwa[®]

SP518

Sprayer

Product Features

4.75 gallon (18 liter) tank, perfect for large commercial and industrial applications

Comfortable, padded adjustable shoulder straps

Durable metal base with chrome plated brass chamber and trigger

UV-resistant polyethylene tank with easy-to-read fill scale on side of tank

Large filler opening

90 psi operating pressure for long spray time without constant pumping

One-year consumer warranty,
One-year commercial warranty

shindaiwa[®]

shindaiwa[®]

RS41

Spreader

Product Features

Large 0.75 cu. ft. hopper capacity

10" tire diameter with 22" track width

Heavy-duty epoxy powdercoated frame for strength and durability

Spring loaded on/off control

Factory calibration for consistent application

One-year consumer, 180 day commercial warranty

shindaiwa[®]

RS76

Spreader

Product Features

1.3 cu. ft. hopper holds 1½ bags
(75 lbs.)

10" tire diameter with 27" track
width

Welded steel frame

Powder coated paint resists
corrosion

Factory calibration for consistent
application

One-year consumer, 180 day
commercial warranty

PB3410

Power Broom

Product Features

34.0 cc displacement, 1.4 hp

Patented C4 Technology® 4-cycle engine uses 50:1 mix. No dip stick!

Quality two-ring piston and chrome plated cylinder for maximum durability

Solid steel drive shaft

Heavy-duty gear case with quality bearings

Two-year commercial warranty,
Two-year consumer warranty

Limited lifetime warranty on drive shaft and major ignition components

shindaiwa®

GP3410

Water Pump

Product Features

Patented Shindaiwa C4
Technology® high-torque engine

Excellent fuel economy — about
25% better vs. equivalent 2-stroke

Discharge capacity 34.3 gpm
(1.30 liters/min)

Total head lift 164 ft. (50 m)

Suction head lift 26.25 ft. (8 m)

Maximum pressure 72 psi
(5.1 kg/cm)

Two-year consumer warranty, 90
day commercial warranty

Limited lifetime warranty on major
ignition components

shindaiwa®

CT2510

Cultivator

Product Features

24.5 cc displacement, 1.1 hp

Patented Shindaiwa C4
Technology® high-torque engine

Excellent fuel economy — about
25% better vs. equivalent 2-stroke

Quality two-ring piston and
chrome plated cylinder for
maximum durability

Wheels ship standard

9" cultivating depth

Cultivates at 5" Or 10" width

Two-year consumer warranty, 90
day commercial warranty

Limited lifetime warranty on major
ignition components
